**Quality Policy Statement**

Top management have established policy which outlines the company's commitment to quality. To ensure that this quality policy statement is clearly defined, understood, and effectively implemented at all stages of the company's operations, a documented quality system has been developed to comply with the requirements of ISO 9001:2015 to which this quality manual (quality management system) is correspondingly referenced. The quality manual (quality management system) specifies the procedures upon which Masonite Beams quality policy is based on. The procedures, which apply to all services of Masonite Beams, has been authorised by the undersigned and must be adhered to for the relevant activity at all stages of Masonite Beams operations. All the company procedures are relevant to the expectations and needs of the customers. Masonite Beams will review this quality policy statement and the quality objectives at the management review meeting. Masonite Beams is committed to a continuous improvement programme. A copy of this quality policy statement will be issued or made available to all employees of Masonite Beams. This quality policy statement and the quality manual will be reviewed at the management review meeting.

**The quality policy statement is:**

- Appropriate to the purpose and context of Masonite Beams and supports its strategic direction.
- Committed to provide a framework for setting quality objectives.
- Committed to satisfy applicable requirements.
- Committed to continual improvement of the quality management system.
- Available and be maintained as documented information.
- Communicated, understood, and applied within Masonite Beams.

**Strategic Aims**

- Masonite Beams will develop, produce, sell and distribute their products so that they correspond with current regulations and agreed quality requirements.
- Our quality work involves continuous improvement of all our processes. Our products must be delivered on time with the relevant technical support.
